TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Industrial Parkway Sanitary Sewer Improvement – Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council approve the plans and specifications for the Industrial Parkway Sanitary Sewer Improvement Project and call for bids to be received on July 11, 2000.

BACKGROUND:

The sanitary sewer mains at Dixon Street and Industrial Parkway have surcharge problems during wet-weather flows. Under wet weather conditions, the sewage occasionally spills through manhole lids and onto City streets. The existing 10-inch sewer mains at Dixon Street and Industrial Parkway between Mission Boulevard and the Alameda County Flood Control (ACFC) channel were identified in the Wastewater Collection System Master Plan as being hydraulically deficient. This project will add a parallel sewer line to abate surcharges in the existing overloaded sanitary sewer lines. The existing main in Industrial Parkway currently serves the area east of Mission Boulevard and south of Industrial Parkway. Improvements will include adding 800 feet of 12-inch parallel sewer line in Industrial Parkway between Dixon Street and the ACFC channel to improve the capacity and eliminate wet weather flow surcharging.

Notices of the construction work will be provided to affected residents, property owners, and business owners, to inform them of the nature and purpose of the work, and City contact for additional information when the contractor's work schedule is defined, and specific dates for any lane closures can be established.

Environmental Review:

The pipeline project is statutorily exempt from environmental review under the California Environmental Quality Act (CEQA). Public Resource Code Section 21080.21 states that CEQA does not apply to any project of less than one mile in length within a public street or highway or any other public right-of-way for the installation of a new pipeline or the maintenance, repair, restoration, reconditioning, replacement, removal, or demolition of an existing pipeline (CEQA Guidelines Section 152.82(1)).

DBE/WBE:

Staff has established a combined goal of 5 percent for Disadvantaged Business Enterprises (DBE) and Women Owned Business Enterprise (WBE) participation for this project. The combined goal is limited due to the lack of available subcontracting opportunities.

Project Cost:

Design & Survey	\$20,000
Contract Construction	\$190,000
Inspection & Administration	<u>\$15,000</u>
Total:	\$225,000

Funding:

The proposed draft 2000/01 Capital Improvement Program includes a total of \$370,000 for the project in the Sewer Capital Improvement Fund. The budget is scheduled for adoption prior to the award of this project.

Schedule:

The following tentative project schedule has been developed for this package:

Advertise for bids	June 13, 2000
Open Bids	July 11, 2000
Award Construction Contract	July 25, 2000
Begin Construction	August 7, 2000
Construction Completion	September 15, 2000

Draft Resolution

DRAFT

HAYWARD CITY COUNCIL

RESOLUTION NO. _____

Introduced by Council Member _____

RESOLUTION APPROVING PLANS AND SPECIFICATIONS FOR THE INDUSTRIAL PARKWAY SANITARY SEWER IMPROVEMENT PROJECT, PROJECT NO. 7584, AND CALL FOR BIDS

BE IT RESOLVED by the City Council of the City of Hayward as follows:

1. That those certain plans and specifications for the Industrial Parkway Sanitary Sewer Improvement Project, Project No. 7584, on file in the office of the City Clerk, are hereby adopted as the plans and specifications for the project; and
2. That the City Clerk is hereby directed to cause a notice calling for bids for the required work and material to be made in the form and manner provided by law; and
3. That sealed bids therefor will be received by the City Clerk's office at City Hall, 777 "B" Street, Hayward, California 94541-5007, up to the hour of 2:00 p.m. on Tuesday, July 11, 2000, and immediately thereafter publicly opened and declared by the City Clerk in the Public Works Conference Room, fourth floor, City Hall, Hayward, California; and
4. That the City Council will consider a report on the bids at a regular meeting following the aforesaid opening and declaration of same.

IN COUNCIL, HAYWARD, CALIFORNIA _____, 2000
